

Gran Tierra Energy Inc. together with its subsidiaries ("Gran Tierra") is a company focused on oil and gas exploration and production in Colombia. Headquartered in Calgary, Alberta, Canada, we are publically listed on the New York Stock Exchange and the Toronto Stock Exchange under the ticker symbol GTE. Gran Tierra believes in creating value for all of our stakeholders through oil and gas exploration and production, capitalizing on the global operating experience of our team. We are building a record of success in Colombia in a transparent, safe, secure and responsible way.

CONTRACT GEOLOGIST, BUSINESS DEVELOPMENT

Calgary

(Posting Number CA-2018-06)

Responsibilities:

Working in an integrated asset team, the Contract Geologist will be responsible for evaluating and recommending new opportunities aligned with business development initiatives. This position reports to the Technical Advisor in Business Development.

Specific responsibilities include:

- Provide geological support for the evaluation of petroleum assets that include producing fields and exploration potential for Mexico bid rounds
- Must be able to work in a team environment that achieves integrated results with tight deadlines to properly demonstrate technical and commercial value
- Integrate geological, geophysical, petrophysical and reservoir engineering data to support an optimized full field development plan
- Recommend value creation opportunities

Required Qualifications:

- An APEGA qualified professional Geologist with a Bachelor's Degree in Geoscience
- 10+ years of related experience in the oil and gas industry
- Proven track record of value creation by successfully identifying and progressing new opportunities
- Experience in acquisition evaluations
- Previous experience with reserves determination and understanding of audit requirements
- Highly proficient software skills, particularly Kingdom
- Excellent communication skills with the ability to prioritize and organize tasks and projects
- Work collaboratively within a fast paced, multi-disciplinary team environment
